Side Dishes

Prep

Breadcrumbs:

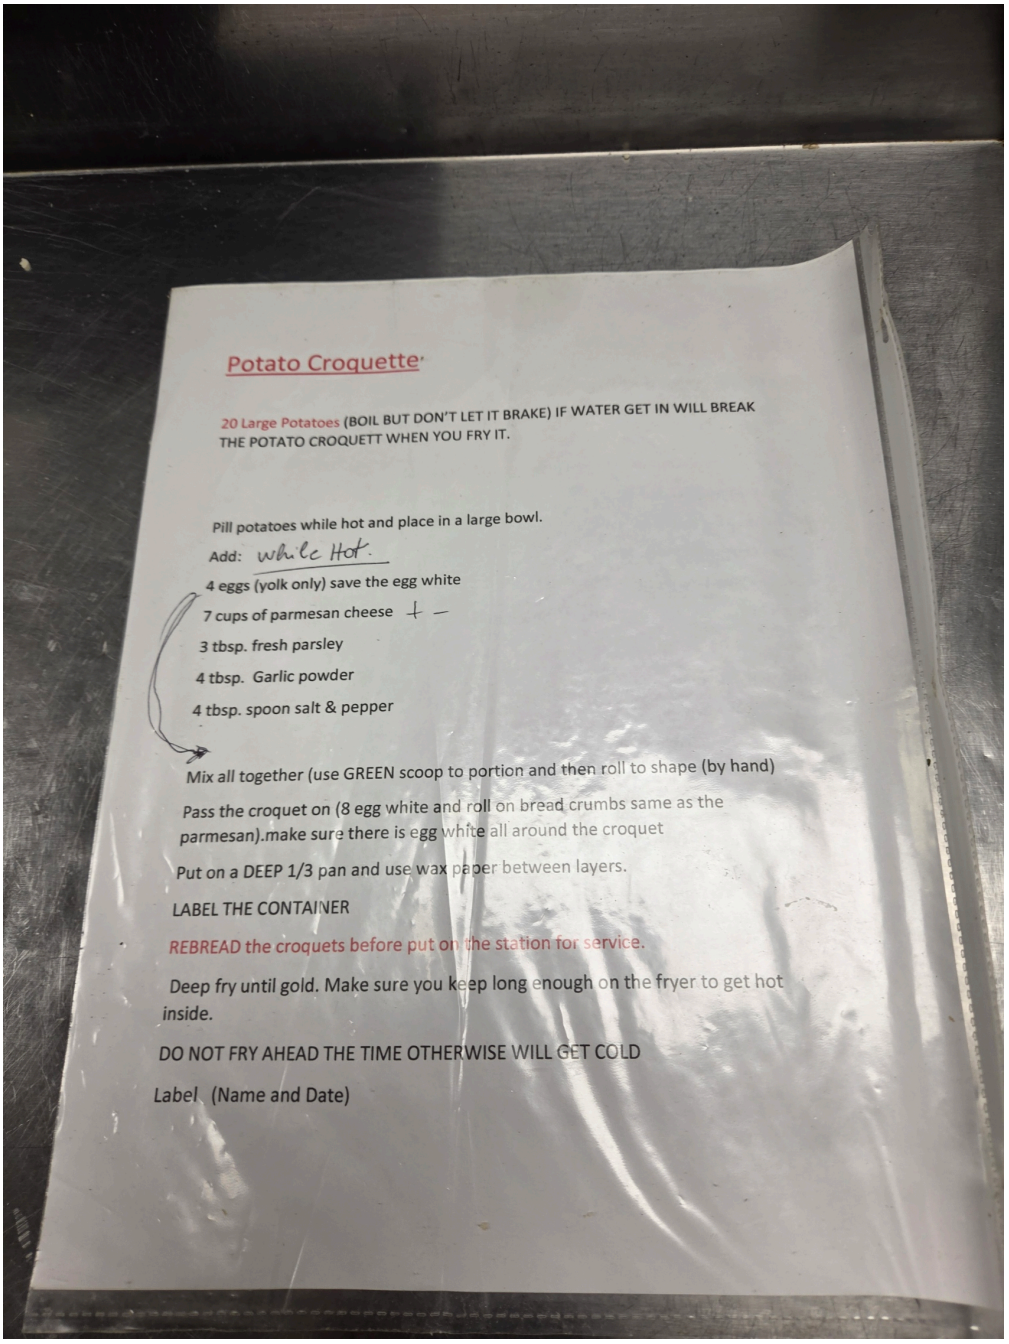
```
Recipe:

- 4.5 Lbs of Panko
- 3.5 Lbs of Parmesan Cheese
- 2 Cups of Parsley
- 1/2 Cup of Granulated Garlic
- 1/2 Cup of Salt+Pepper
- 1/3 Cup of Italian Seasoning

Process:

- Use an 18 Qt container
- Weight out the Panko and Parmesan 2 Lbs at a time in a metal bowl because the scale can only handle so much.
- Shake it really well
```

Potato Croquettes:



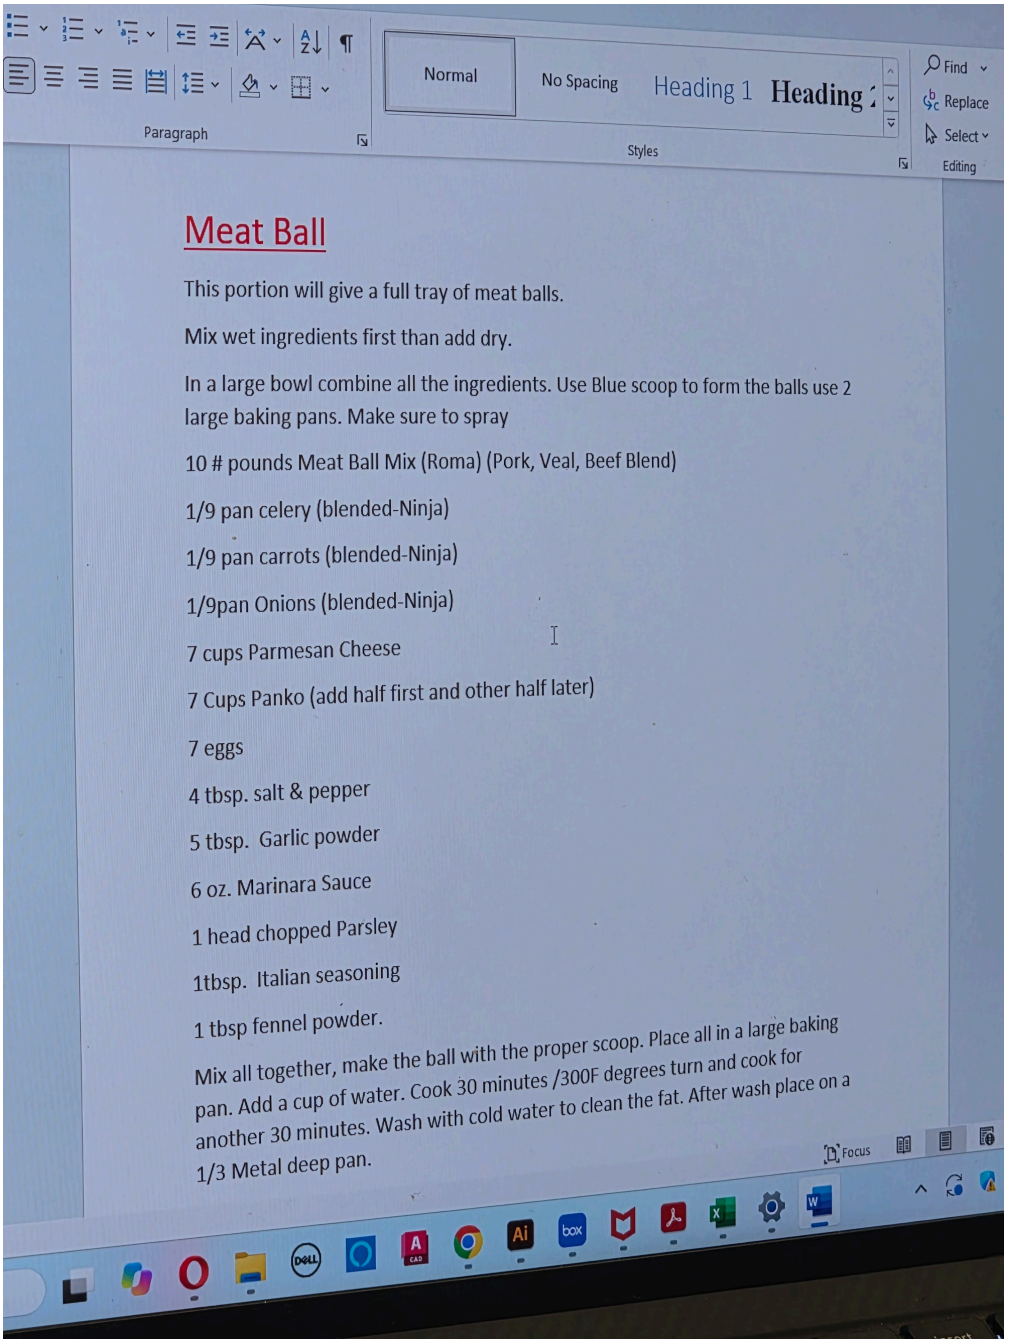
Recipe:

- 20 Large Potatoes
- 4 Egg Yolks (Save the whites for Parm Station)
- 7 Cups Parmesan Cheese
- 3 Tbsp Parsley
- 4 Tbsp Garlic Powder
- 4 Tbsp Salt+Pepper

Process:

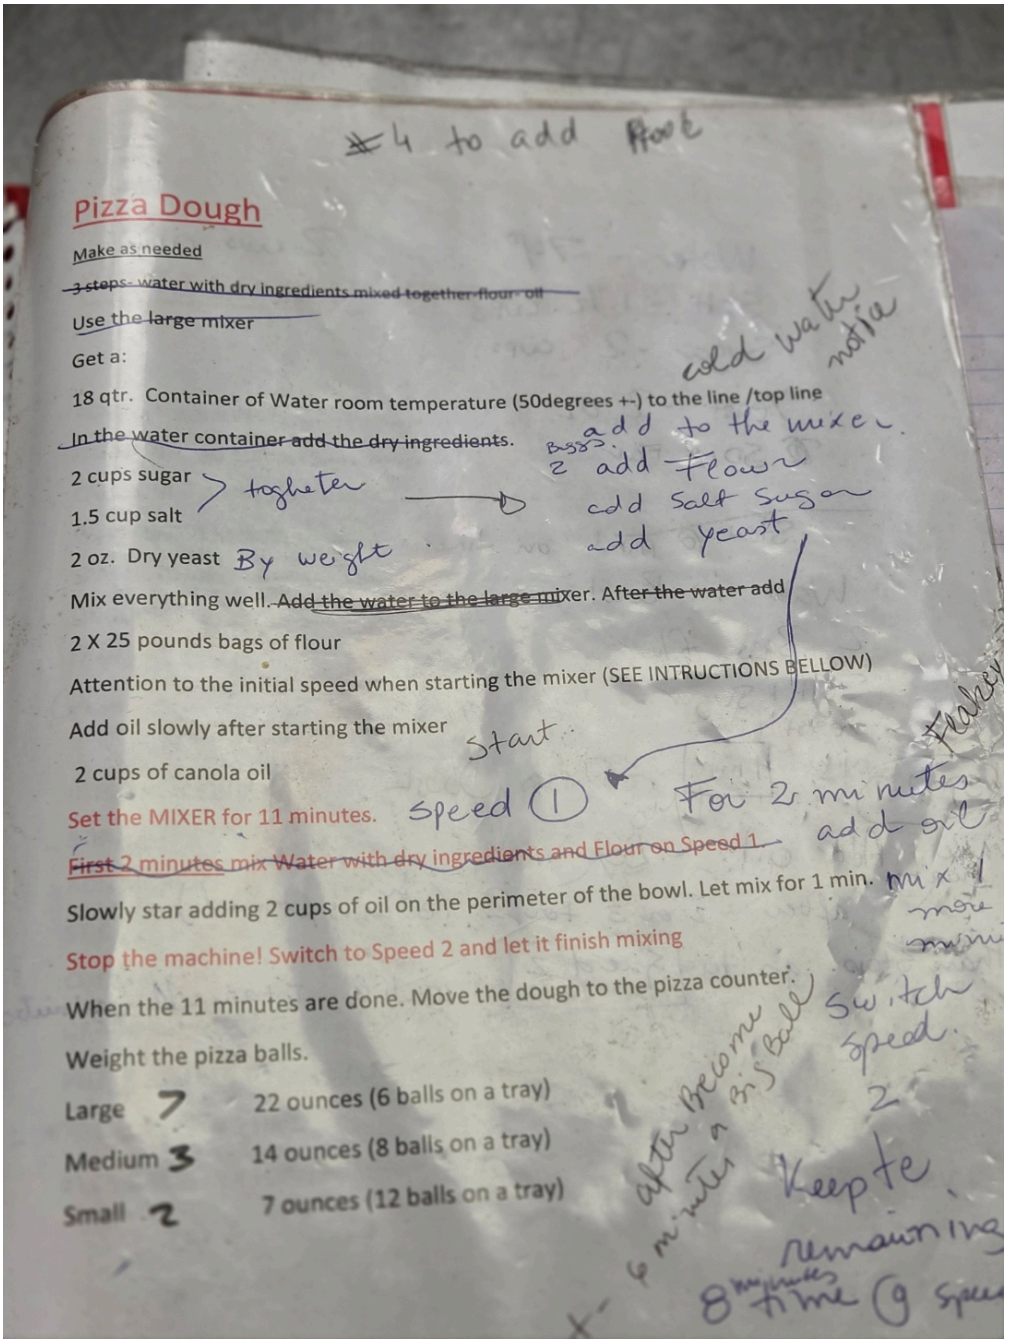
1. Boil the potatoes until you start seeing the skin come off, then pour them into a collander. Set aside a huge bowl for the next step.
2. With a bar towel and a hot potato in one hand and a steak knife in the other, scrape off the skin. Remove any ugly bits and eyes.
3. Use the masher and mash all of the potatoes in the bowl, then add all of the ingredients.
4. Mix it by hand the rest of the way, breaking up as many solid bits you can by squeezing them in between your fingers.
5. On 2 large (unsprayed) metal trays, use a Green scoop to portion them all, then roll them all at once onto one tray.

Meatballs:



```
Recipe:
```

Pizza Dough:



Recipe:

- 2 x 25 Lb Bags of Flour
- 50 Degree Water filled to the line in 18 Qt container
- 2 Cups of Canola Oil
- 2 Cups of Sugar + 1.5 Cups of Salt in a 1/6th pan
- 2 Ounces of Yeast by weight

Process:

1. Add the hook before ingredients
2. Add in this order: Water, Flour, Salt+Sugar, and Yeast
3. Crank the bowl up and ENSURE the speed is set at 1
4. Mix for 2 minutes ("shaggy ball"), then add Canola Oil
5. Mix for another 5 minutes at speed 1
6. Turn speed up to 2 and mix for another 6 minutes

Notes:

- Ball Weights:
  - Small: 7 Ounces (12 per tray)
  - Medium: 14 Ounces (8 per tray)
  - Large: 22 Ounces (6 per tray)
- Typical batch breakdown:
  - 2 Trays Small
  - 3 Trays Medium
  - The rest Large
